

BRADLEY PAUL BENGTON, M.D

CURRICULUM VITAE

PERSONAL

Bradley P. Bengtson, MD, FACS
Bengtson Center for Aesthetics and Plastic Surgery
555 MidTowne Ave, NE - Suite 110
Grand Rapids, MI - 49525
Office 616.588.8880
Fax 616.588.8881
www.bengtsoncenter.com
drb@bengtsoncenter.com

Founder Bengtson Center for Aesthetics and Plastic Surgery

Past Associate Professor Grand Rapids Area Medical Education Center - Michigan State University

Past Clinical Faculty Plastic Surgery Residency Program Grand Rapids Area Medical Education Center

Past Plastic Surgery Chairman Spectrum Health Hospital System

Past Assistant Program Director Plastic Surgery Residency Grand Rapids Area Medical Education Center

Home: Grand Rapids, Michigan

Born: Anderson Indiana

Spouse: Anna Bengtson

Children: Brittney, Brielle, Jonathan, William

Hospital Appointments: Spectrum Health System – Active Staff
Metropolitan Hospital – Courtesy
Midtowne Surgical Center
South West Surgical Center

EDUCATION

Undergraduate Education	Bachelor of Arts in Biology and Chemistry Anderson University Anderson, Indiana	1978 - 1982
Graduate Education	Doctor of Medicine Indiana University School of Medicine Indianapolis, Indiana	1982 - 1986
Postdoctoral Fellowship Education	Intern in General Surgery Michigan State University/Butterworth Hospital Grand Rapids, Michigan Program Director: Donald J. Scholten, M.D.	1986-1987
	Resident in Integrated General/Plastic Surgery Michigan State University/Butterworth Hospital Grand Rapids, Michigan Program Director: Donald J. Scholten, M.D.	1987-1989
	Resident in Plastic & Reconstructive Surgery Grand Rapids Area Medical Education Center Grand Rapids, Michigan Program Director: John H. Beernink, M.D.	1989-1991
	Oncology & Microvascular Reconstruction Fellowship, M.D. Anderson Cancer Center Houston, Texas	1992 - 1993
	Private Practice Grand Rapids Michigan	1991- Current

HONORS & AWARDS

Tiffany Award Best Research American Society for Aesthetic Plastic Surgery High Resolution Ultrasound and the Detection of Gel Implant Shell Failure	2009
Tiffany Award Best Exhibit American Society for Aesthetic Plastic Surgery Differences Between Saline and Silicone Implants Every Plastic Surgeon Should Know	2009
Summa Cum Laude Honors in Chemistry and Biology Anderson University	1982
Alpha Omega Alpha Indiana University School of Medicine	1985
Best Research Award GRAMEC Research Day	1990
Best Research Award - Capsular Flap Michigan Academy of Plastic Surgeons	1990
Best Reconstruction Research Award	1991
Clinical Fellow Research Award Society of Head and Neck Surgery Radiation and Free Tissue Transfers	1993
Best Doctors in America® America's Top Doctors List Grand Rapids Top Doctors ...Elected by his Peers for	1996-2012
Best Doctors – Plastic Surgery Grand Rapids Magazine	2011

LICENSURE & CERTIFICATION

National Board of Medical Examiners	1987
State of Michigan Medical License, Active	1987
DEA Registration, Active	1987
Texas Medical License	1992
American Board of Plastic Surgery	1995
American Board of Plastic Surgery / Recertification	2004
Fellow, American College of Surgeons	1997

PROFESSIONAL ORGANIZATIONS

Christian Medical & Dental Society
American Society of Plastic Surgeons
The American Society for Aesthetic Plastic Surgery
American Medical Association
Michigan State Medical Society
Michigan Academy of Plastic Surgeons
Mid West Association of Plastic Surgery
Fellow American College of Surgeons
Kent County Medical Society
Society of Civil War Surgeons
Alpha Omega Alpha Honors Society

Consultant: Allergan Medical Corporation
Chairman Natrelle Style 410 Strategic Council of North America
Allergan Executive Council Founding and Current Member

Key Opinion Leader: LifeCell Corporation, Palomar Corporation
Allergan's National Trainer for Botox and Fillers

Investigator: Style 410 Form Stable Silicone Gel Implant Core and Continued Access Studies – Lead Investigator
Allergan and Mentor Silicone Implant Study Investigator - Core and Adjunct Studies
Breast Implant Follow-up Studies – Allergan
Strattice Applications to Breast Surgery

Investigator: High Resolution Ultrasound of Breast Implants
3-Dimensional Imaging in Facial and Breast Surgery
ASERF Grant Recipient

BUSINESS OWNERSHIP

Bengtson Center for Aesthetics and Plastic Surgery

Medical Staff Press, LLC – Publishing Company

Surgical Design Solutions, LLC

Bengtson Ventures, LLC

Be Transformed, LLC

UNITED STATES PATENTS AND TRADEMARKS

Piece of Haven TM

Foam Core Drain System

Breast Augmentation Measuring Device

Post Surgical Drain Pack

Surgical Port Finder

Breast Implant IP

ACTIVE AREAS OF RESEARCH

Lead Investigator Style 410 Form Stable Silicone Breast Implant
United States Pivotal Trial

Investigator Silicone Gel Breast Implants

Biomechanical Difference Between Saline and Silicone Implants

Capsular Flaps in Revisional Breast Surgery

Prevention of Capsular Contraction Using Acellular

Dermal Matrices Strattice/Alloderm

Strattice Applications in Cosmetic Revisional Breast Surgery

Evaluation of Silicone Breast Implant Shell Integrity with New

High Resolution Ultrasound

New Facial Fillers and Injectables

Applications for Facial Imaging

3-Dimensional Imaging of the Breast and Face

Capsular Tissue Sounding Breast Implants
The History of Plastic Surgery in the United States
Surgery and Plastic Surgery During the Civil War
Surgical Drain Development in Surgery
Quill Suture Application in Plastic Surgery
Tissue Based Planning in Breast Surgery
The Breast Implant Selection Process

ADDITIONAL AREAS OF RESEARCH

1. Flexor Tendon Retrieval Using a Flexible Endoscope
2. Plastic Surgery During the Civil War
3. The American History of Plastic Surgery
4. High Resolution 3-D and 4-D for the Evaluation of Silicone Breast Implant Shell Rupture
5. Style 410 Cohesive Gel Breast Implant Largest Ongoing Current US Study Cohort
6. Silicone Gel Breast Implant Studies
7. Tissue Based Planning Techniques for Breast Augmentation
8. Nipple to Fold Distances over Time in Breast Augmentation
9. A New Surgical Drain – One that Actually Works

10. The Use of Alloderm and Strattice in Breast Reconstruction and Cosmetic Breast Surgery
11. Quill Suture in Cosmetic Surgery of the Breast
12. 3-Dimensional Planning in Breast and Facial Cosmetic Surgery
