## Breast Augmentation Consultation Checklist

Physician's Name: \_\_\_\_\_

Appointment Time: \_\_\_\_\_

Telephone Number: \_\_\_\_\_

My Next Appointment Is: \_\_\_\_\_

Address: \_\_\_\_\_

***Photos: Please bring lots of photos that show the surgeon how you want to look. These can be much better indicators than band and cup size. Make sure to choose body types that are similar to yours!***

Current Band & Cup Sizes: \_\_\_\_\_

Expected Band & Cup Sizes: \_\_\_\_\_

### Questions for My Plastic Surgeon

#### About My Plastic Surgeon

1. What are your credentials (Board certified by the American Board of Plastic Surgery)?
2. How long have you been practicing plastic surgery?
3. How long have you been doing BA's and how many have you done?
4. May I have references from past clients?
5. May I see before and after photos?

#### About the Surgery

1. What incision approach do you recommend?
2. Should I have my implants over or under the muscle?
3. What risks or complications should I be aware of?
4. How long after the surgery before I can work, exercise, etc?
5. Where do you perform the surgery?

#### About the Implants

1. Can you explain the differences between silicone and saline?
2. How do you determine what size implant is right for me?
3. What type and shape of implant would you use for me?
4. How will the surgery affect my nipples?
5. Can you achieve my desired result?

#### More Important Questions...

1. Will I be able to breast feed in the future?
2. What is the total cost of the procedure including anesthesia, surgical facility, etc?
3. What are your policies for revision if I am not satisfied with my result?
4. What warranty coverage will I have with the implant model you recommend?
5. How soon can we do the surgery?

#### **My Surgeon Recommends:**
